## **DART Riders Can Expect Delays during the 2011 Iowa State Fair Parade**

Public transit users can expect service delays all evening starting at 6 p.m. on Wednesday, August 10, due to the 2011 Iowa State Fair Parade in downtown Des Moines.

The Des Moines Area Regional Transit Authority advises the riding public to plan for the following service changes that will be in effect during the parade:

- **Evening lineups – at 6:15 p.m., 6:45 p.m., 7:45 p.m. and 8:50 p.m. – will be split into two locations on the north and south sides of the parade route. “Lineups,” usually held on Walnut Street, are when buses converge downtown to allow transfers.**
- **The evening lineups for Routes 1, 11, 4 and 7 will occur at their usual location on the Walnut Street Transit Mall.**
- **The evening lineups for Routes 3 and 5 will be moved to High Street between 6<sup>th</sup> Avenue and 7<sup>th</sup> Street.**
- **Route 6 will be temporarily split into Route 6 North and Route 6 South.**
  - **Route 6 North will service the northern portion of its regular route during the parade. Its evening lineups will occur on High Street between 6<sup>th</sup> Avenue and 7<sup>th</sup> Street.**
  - **Route 6 South will service the southern portion of its regular route during the parade. Its evening lineups will occur on the Walnut Street Transit Mall.**
- **Express Routes are not expected to be effected by the parade. However, DART encourages all riders who are commuting out of downtown on Wednesday afternoon to leave on an earlier bus, if feasible.**

The temporary changes were planned to avoid overly long delays for customers, but modest delays are anticipated during the parade. Customers are advised to plan their trips accordingly.
